Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>A balanced child-centered school based curriculum supported with games strategy to meet the needs of children and to promote balanced development in spiritual, moral, intellectual, physical, communal, and artistic aspects.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>We actively participate in professional collaborative schemes to improve our teaching. Multiple learning activities are conducted in team / group forms. Children are guided to build up knowledge through games activities, online learning, first-hand experiences and explorations.</p>	
Assessment of children's learning experiences	
<p>A child's learning outcomes are observed and recorded on an ongoing basis. A child's journey of learning is recorded systematically and reported to the parents and teachers for reference so the child is appropriately helped to develop and learn.</p>	

School Characteristics	
School vision and mission	
<p>'Grow Up in Love and Joy' is our mission. Quality pre-primary educational services are based on Jesus Christian love for all. Children are helped to grow and develop happily, foster the active learning attitude and become independent learners. We also respect student differences with children's wellbeing as our main concern.</p>	
Support to students	
<p>Different kinds of services and support are provided according to children's physical and psychological needs, such as: new students adaptation period, primary one preparatory curriculum, online learning platform, talks and workshops, visits, home visits, community professional service program, University-School support program.</p>	
Support to non-Chinese speaking (NCS) students	
<p>Received Grant for Support to NCS Students; arrange interpretation / translation services; create an enriched language environment for mastery of the Chinese language; create an inclusive learning environment to facilitate students' integration; facilitate professional development for teachers to develop effective strategies to help NCS students learn Chinese; Participated in C-for-Chinese professional support programme co-organised by Universities and NGOs. Participated in QEF programme organized by HKEDU.</p>	
Support to students with special needs	
<p>Joining the On-site Pre-school Rehabilitation Services. Facilitate professional development and school based training for teachers.</p>	
Link with parents
