Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>Our child-centred curriculum takes into consideration childrens' learning interests and promotes development of multiple intelligences. Art and drama elements are integrated into the curriculum to nurture childrens' creativity through music and visual art activities.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>Integrated teaching approaches, such as illustration-based approach and creative arts are adopted. Children's aptitude is enhanced through outdoor observations, visits , personal experiences, and other modes of learning.</p>	
Assessment of children's learning experiences	
<p>Children's performance in learning is assessed by ongoing observations and a profile of each child's learning journey is created to record his/her development.</p>	

School Characteristics	
School vision and mission	
<p>We aim to provide quality pre-primary educational services. 'Holistic Education' allows young children to learn in an enjoyable way, ignites their potential, and ensures balanced development in linguistic, social, emotional, physical and artistic aspects.</p>	
Support to students	
<p>Orientation day is arranged for new students; transition from Kindergarten to Primary 1 activities are arranged for K3 students; a fund is provided in all schools to train students to develop to their full potential.</p>	
Support to non-Chinese speaking (NCS) students
