Curriculum Details

Curriculum type : Local

Curriculum planning

Our school-based curriculum is compiled according to children's physical and mental development needs and six major areas of learning (Chinese, Early Mathematics, Art, Science & Technology, Individuals and Groups, Physical & Health) which caters to children's interest in learning.

We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.

Learning / Teaching approach & activities

We introduce an activity-based teaching method and a project-based learning approach, while organizing visits and group activities.

Assessment of children's learning experiences

Through continuous observations, records are kept of children's learning as their portfolios.

School Characteristics

School vision and mission

Through school and missionary services, we help children grow healthily in moral, intellectual, physical, social, aesthetic and spiritual aspects.
